**PUBLIC FILE**

**Quarter: 1**

**Date:**

---

Program Name: The Morning Show

Air Date: January 11, 2016

Program Length:

Description: Tribute to the Music and Life of **David Bowie**

Highlighted:

The startling announcement of the death of music icon David Bowie from cancer elicited a 3-hour celebration of this great artist and a look at his life, music, art, film, and public persona.

Issues:

End of life palliative care; drug dependence; freedom of the press v. individual privacy; artistic endeavor; the business versus art dynamic

---

Program Name: The Morning Show

Air Date: March 18, 2016

Program Length:

Description: **Sleep** – How Much is Enough?

Highlighted:

An examination of the recent CDC report on sleep in America. (Maryland is #3 on the list of most sleep-deprived States in the U.S.) This study shows that 6 hours a night is not enough and that many who sleep 6 hours a night, function as though they did not sleep at all.

Issues:

Sleep requirements; health and exercise; diet and caffeine use; managing stress; good sleep hints
